Though school is different this year, one thing remains the same: we want to provide teachers and students with enhanced learning opportunities. To do that, we are taking our traditional Move-a-thon VIRTUAL! We will play, walk, dance, skate, run, hike, bike our way to our goals with your help! 10 minutes of activity for kids per day is all it takes!

Our goal is to raise \$12,000.00 for our general fund! That's only \$20 per student, or 4 friends donating \$5 each! By accomplishing this goal, we will be able to ensure that all teachers can have access to the most up to date learning resources—both digital and print—and will be able to have the supplies they need to dynamically teach our children during this time.

The best part is that it is super easy. You can share your link on social media, and people can donate online! And since there are no goods involved, there is no hassle. That means that, your donation goes further! We have teamed up with Get Movin'© to make this event fun and profitable with online mobile friendly technology!
